

Ordering COVID-19 Labs

To alleviate the need for COVID-19 testing among Maryland residents, drive-through COVID-19 testing is now available at select Vehicle Emissions Inspection Program (VEIP) sites throughout Maryland. CRISP is supporting COVID-19 lab order entry for eligible patients through our Unified Landing Page....

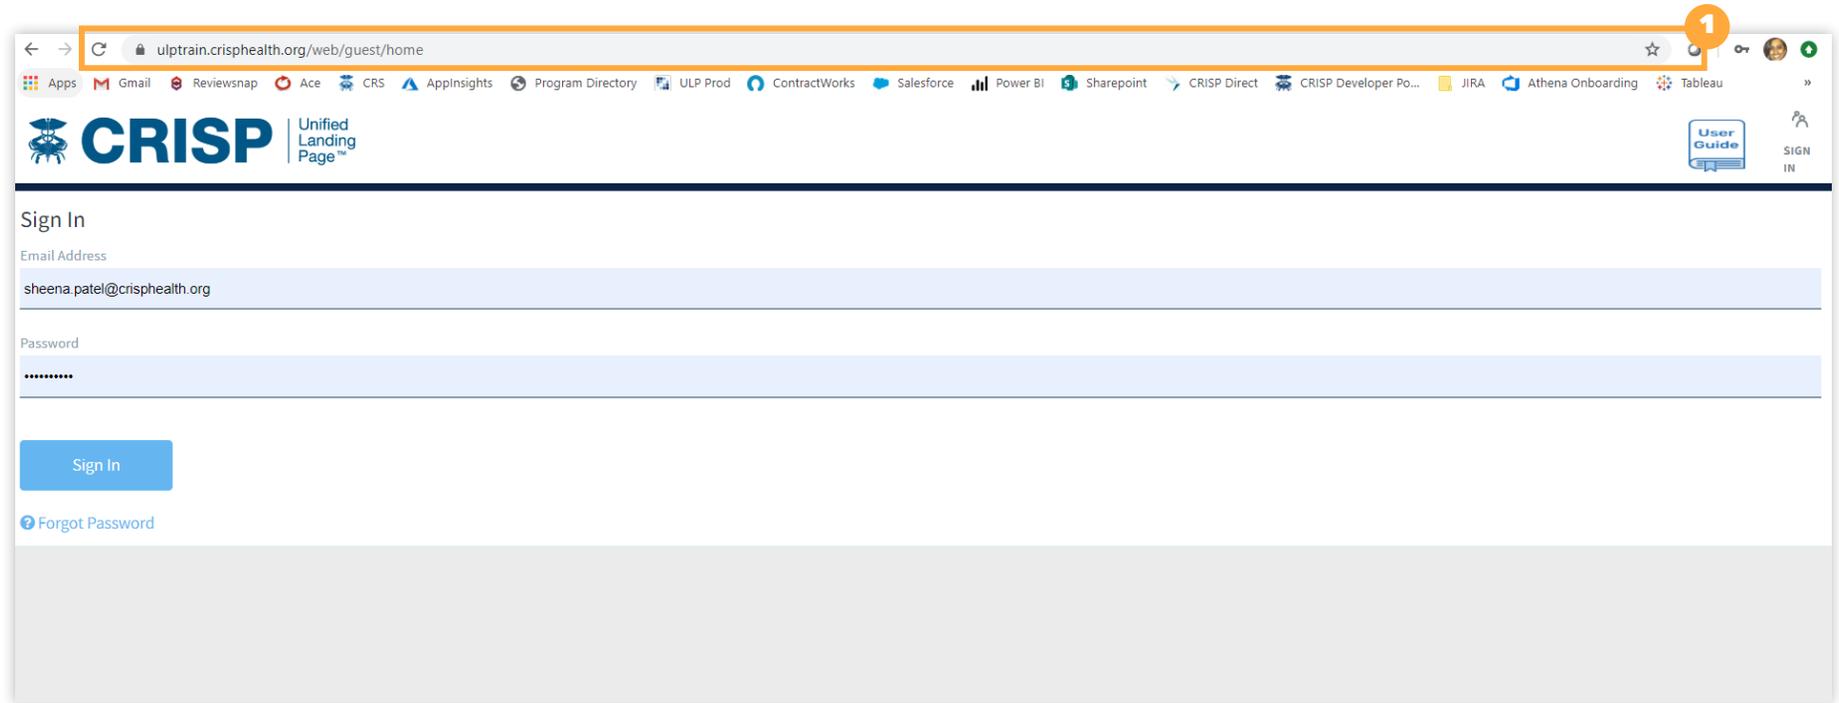

The overall statewide test ordering priority is as follows:

Health care providers shall prioritize COVID-19 test orders to the following groups:

- A. Severely ill hospitalized patients, who should be tested by the most expeditious means available (either a hospital lab, private lab, or the State Laboratory)
- B. Symptomatic Emergency Medical Service Personnel, healthcare workers, and law enforcement personnel (should be tested by available means)
- C. Symptomatic patients in nursing homes, long-term care facilities, or in congregate living facilities housing individuals who are medically fragile; OR
- D. Symptomatic high-risk unstable patients whose care would be altered by a diagnosis of COVID-19.
