

## MD HIE Opt-Out

Last Updated 8/11/26

The table below shows which MD HIEs the CRISP Patient Opt-Out process also applies to. This opt-out also applies to any HIE that partners with CRISP Shared Services, Inc., and to CRISP data shared through the National Networks. Patients should ask their providers whether they use any of these or other HIE services.

| HIE Vendor                                            | Effective Date |
|-------------------------------------------------------|----------------|
| <b>Delaware Health Information Network<br/>(DHIN)</b> | 08/05/2026     |
